I Connect with God by Hiding His Word in My Heart!

Philippians 1:3-7a

I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy. I am happy because you have joined me in spreading the good news. You have done so from the first day until now. I am sure that the One who began a good work in you will carry it on until it is completed. That will be on the day Christ Jesus returns. It is right for me to feel this way about all of you. I love you with all my heart.

I Connect with God by Learning to Talk with Him!

Our lives change when we talk with God as we will become people who rejoice with and are thankful for other believers! Paul prayed for others, not because he had to but because talking with God brought him much joy! Philippians 1:3-8
